EXPERIENCE

TechnoHacks EduTech Web Development Intern

August 2023 - Sept 2023

Interned at TechnoHacks EduTech for web development, acquiring valuable knowledge in the field to enhance web development skills.

Accomplishments:

- During my internship at TechnoHacks EduTech, conducted remotely from August to September 2023, I successfully designed and implemented a personalized portfolio website using HTML and CSS..
- This platform effectively highlighted my diverse range of projects and skills. Furthermore, I conceptualized and developed an interactive calculator, integrating HTML, CSS, and JavaScript to execute arithmetic operations seamlessly. .
- Enhancing user experience, I also crafted an intuitive registration form utilizing HTML and CSS.
- These experiences enriched my proficiency in web development, fostering creativity and problem-solving in real-world applications.

Prinston Smart Engineers Full Stack Web Development

August 2023 - Sept 2023

Interned at Prinston Smart Engineers, focusing on full stack web development, acquiring comprehensive knowledge and practical skills in the domain.

Accomplishments:

- In my capacity as a Full Stack Web Development Intern at Prinston Smart Engineers , I undertook a transformative experience in the realm of web development.
- During this time, I spearheaded the creation of a comprehensive online electrical store from inception to completion. Employing cutting-edge technologies such as React, Node.js, Express, and MongoDB, I established a robust framework that facilitated seamless user interactions.
- My contributions included the integration of dynamic functionalities like product catalogues, efficient cart management, and fortified user authentication protocols..

Youth India Foundation
PR Engagement Member

Mar 2021 - June 2021

Accomplishments:

- As a PR Engagement Member at Youth India Foundation , I actively bolstered communication and relationships, playing a pivotal role in enhancing the organization's brand perception
- My responsibilities included cultivating strategic interactions to foster effective public relations and impactful engagement. .
- I devised and executed a dynamic social media strategy, yielding heightened engagement with our target audience.
- Through these experiences, I refined my skills in effective communication, relationship building, and strategic planning. This role deepened my understanding of brand management and the power of well-executed engagement strategies, contributing to the organization's overall success.
